1941–

Preludes for Orchestra

7 Aug 2004
comments – First, I make that p 18 looks like a last page of a movement.
But, "G" on page 20
follows "F" several pagescales
on the other hand, order of instruments
on p 20 is different than on p 18
and also different
example: there is piano in ~~last~~ 7 extra
pages

Notes Feb 2004
(1) page 19 of ~~II~~ III is sicug
(2) what is 3-page Hymn
at ix gminy ?

maybe just skipped a measure

this looks complete.

Is it page 1 of 5 mvt?

I remove it as separate work.
