Long, Too Long America

choral unison (nuts) imitation, canon 2-voice vs. 2-voice long notes

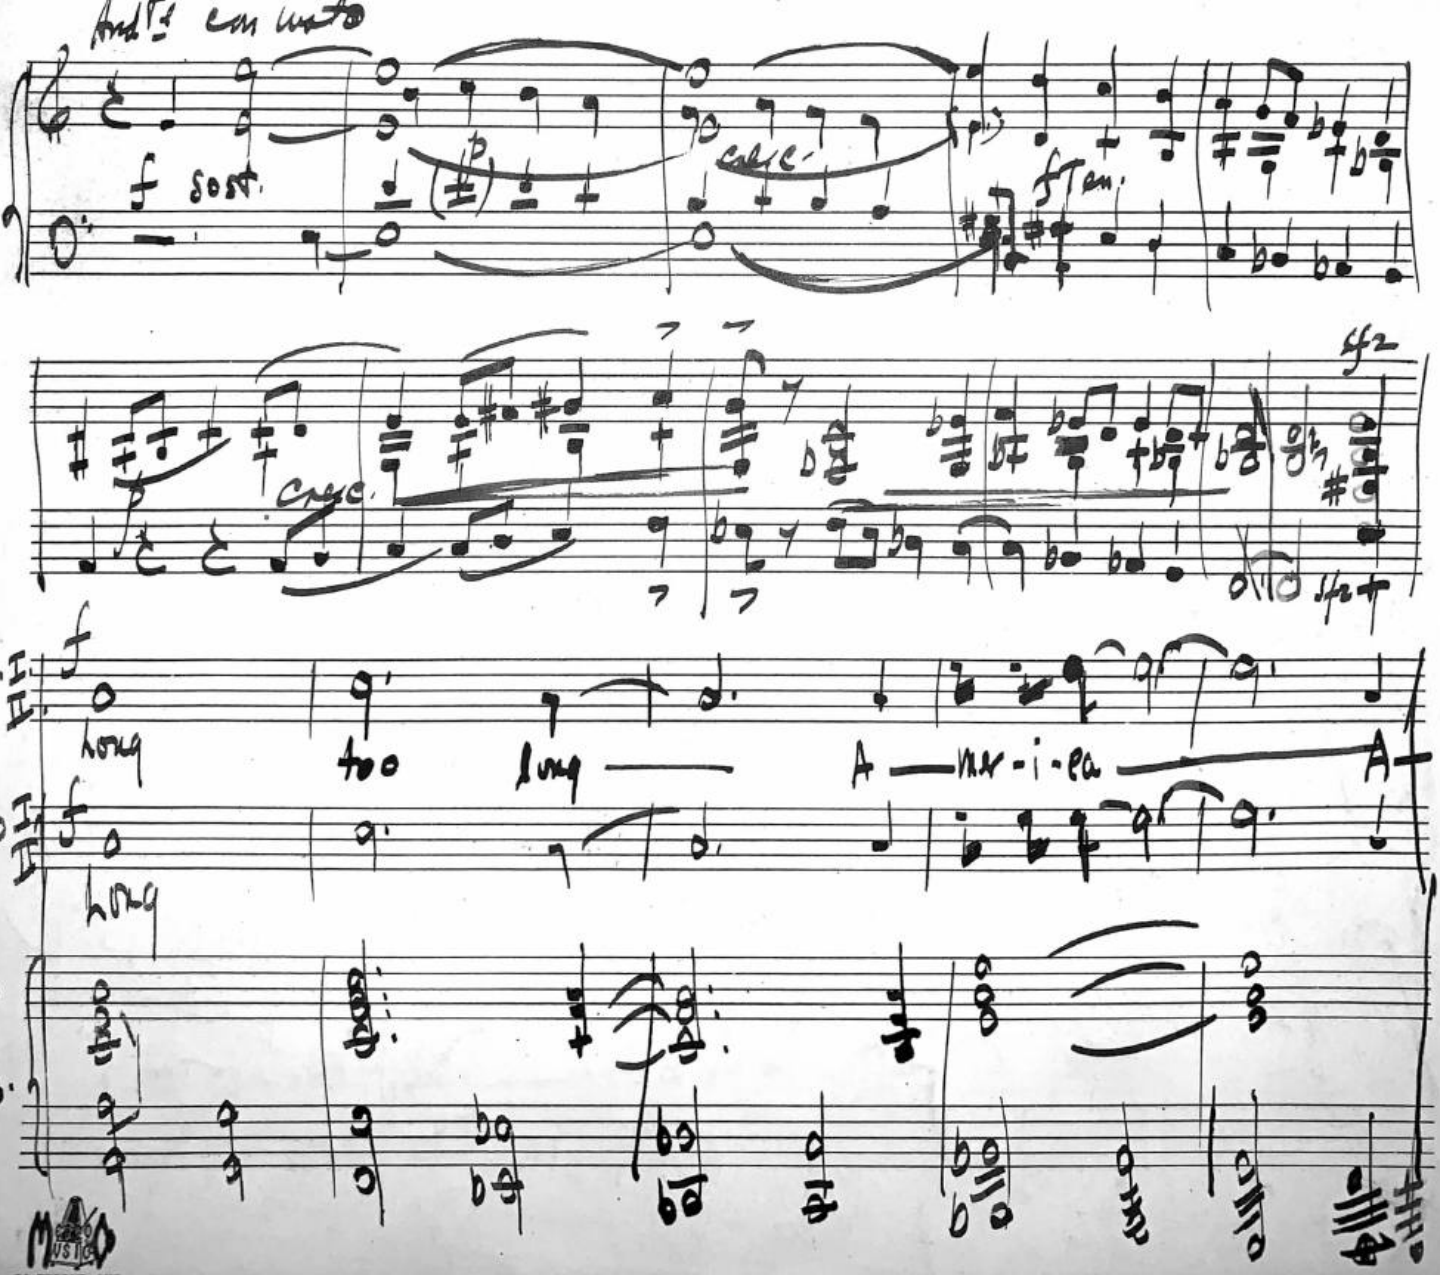

Long, too long America

1. Traveling roads all even and peaceful you learned from
toys and prosperity only,

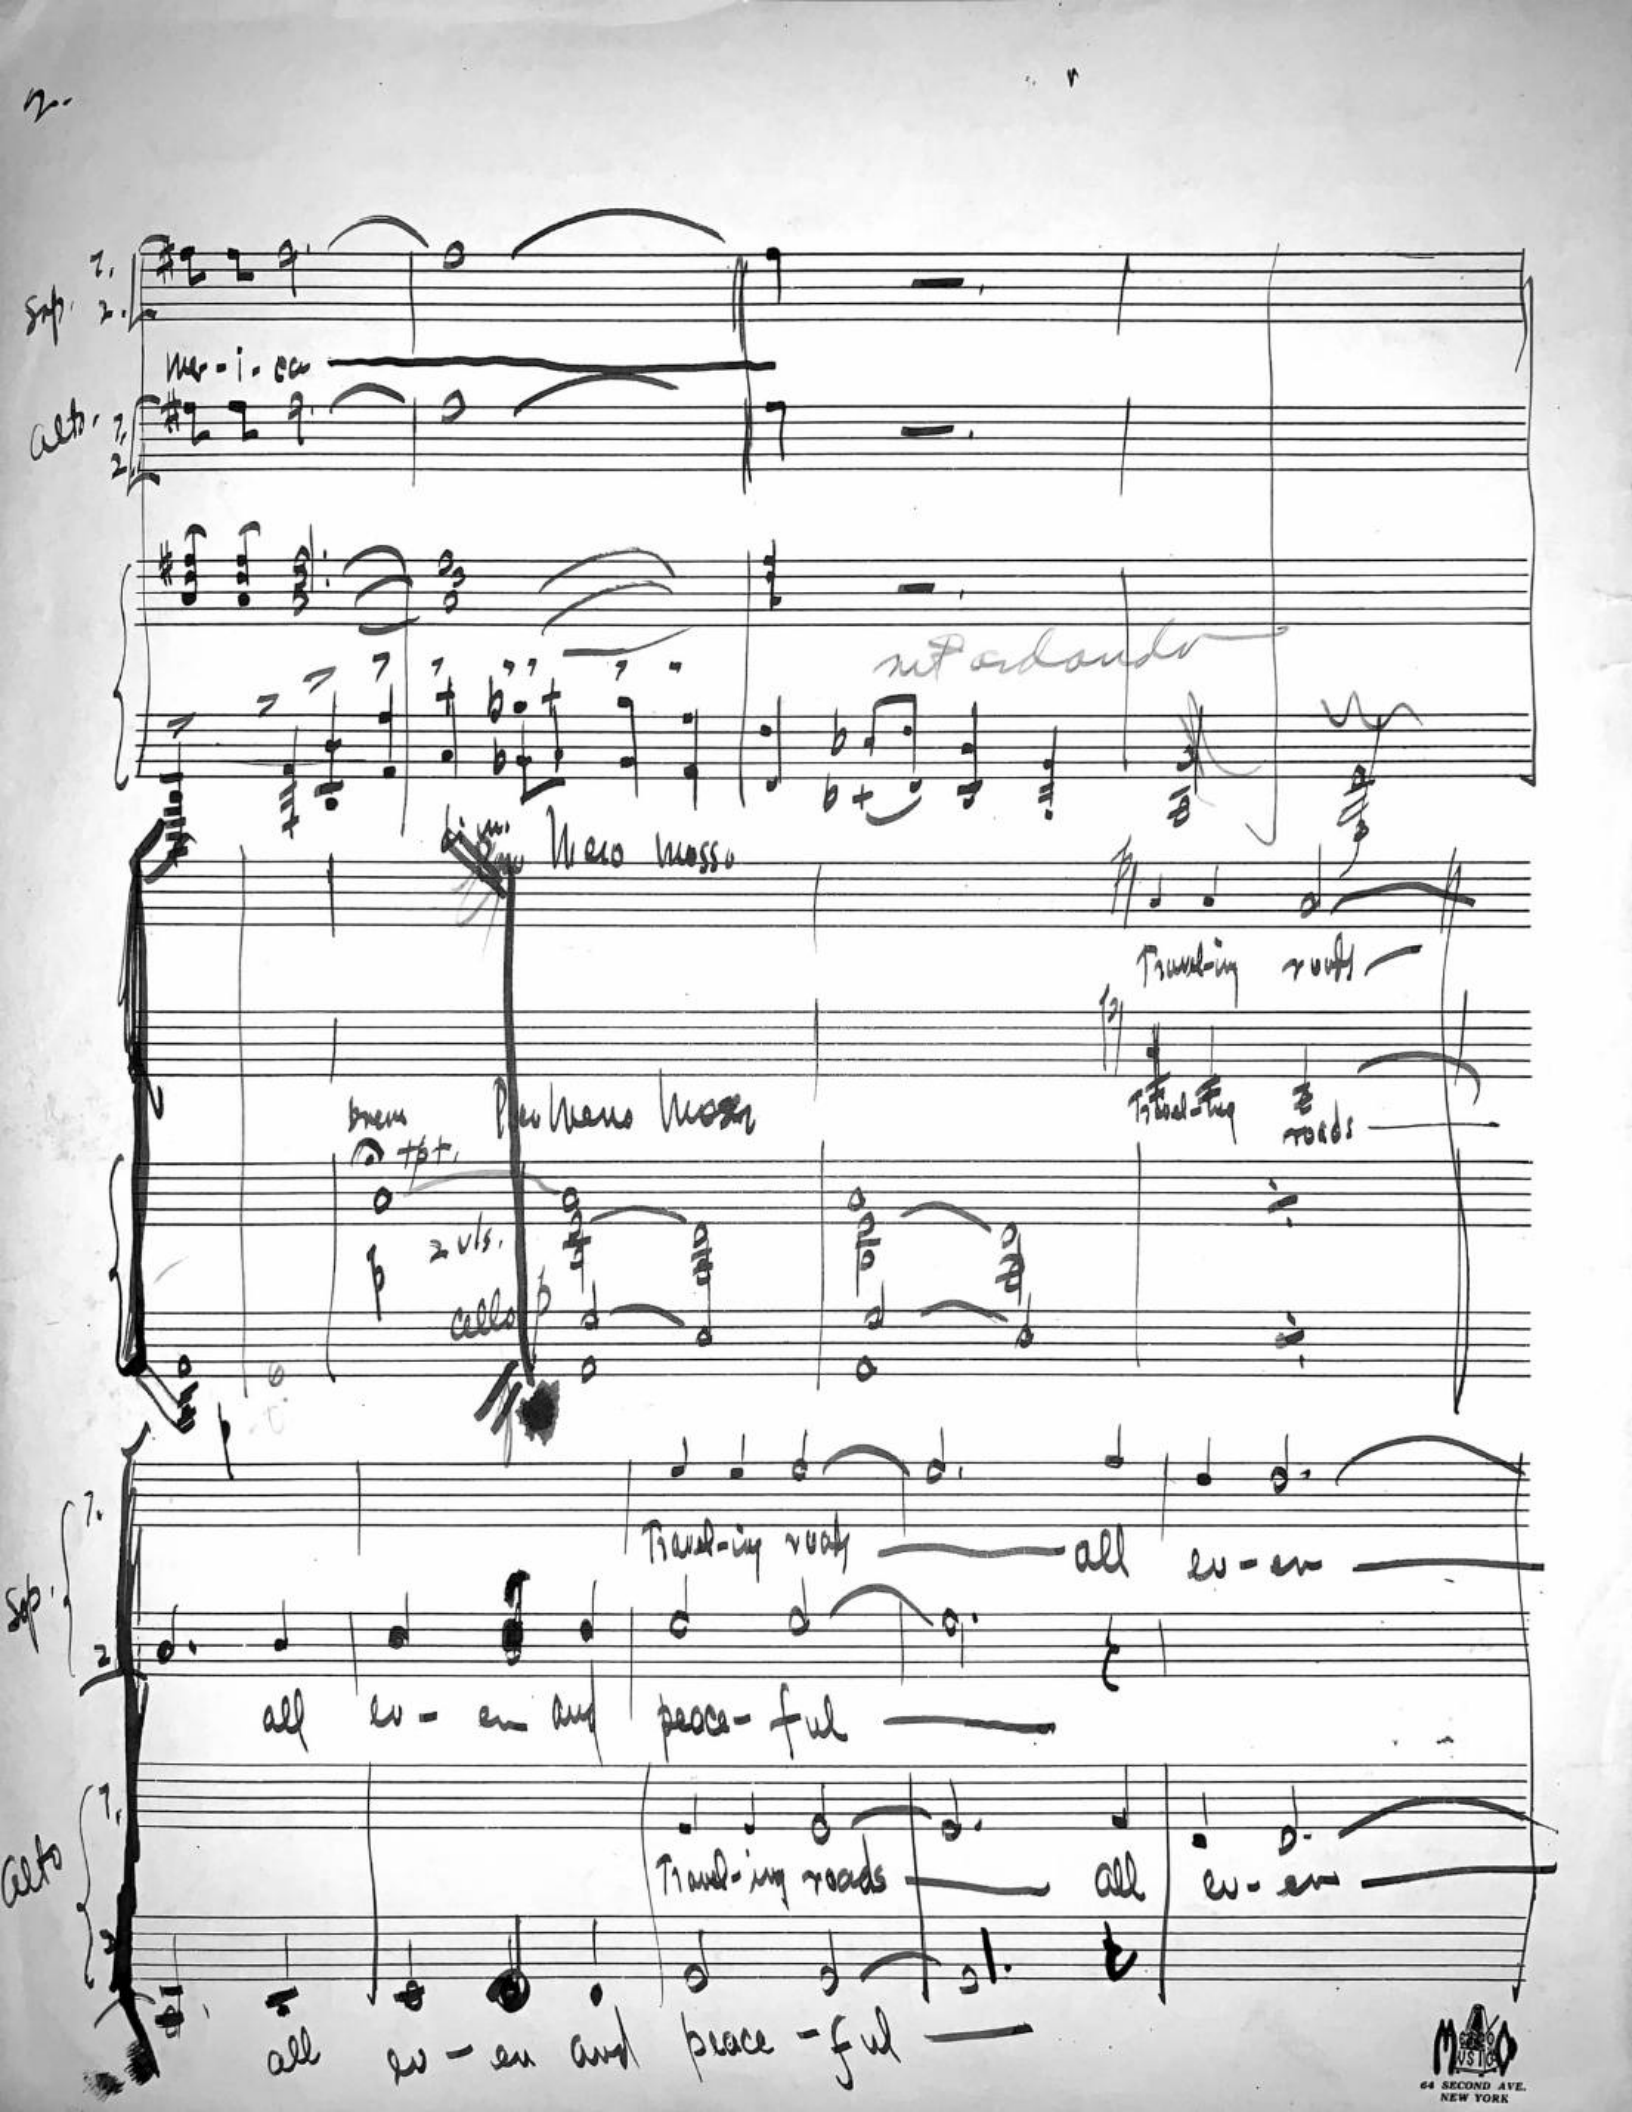

2. But now, ah now, to learn from crises of anguish,
advancing, grappling with direst fate
and recoiling not,

canonic, imitation strong, dynamic

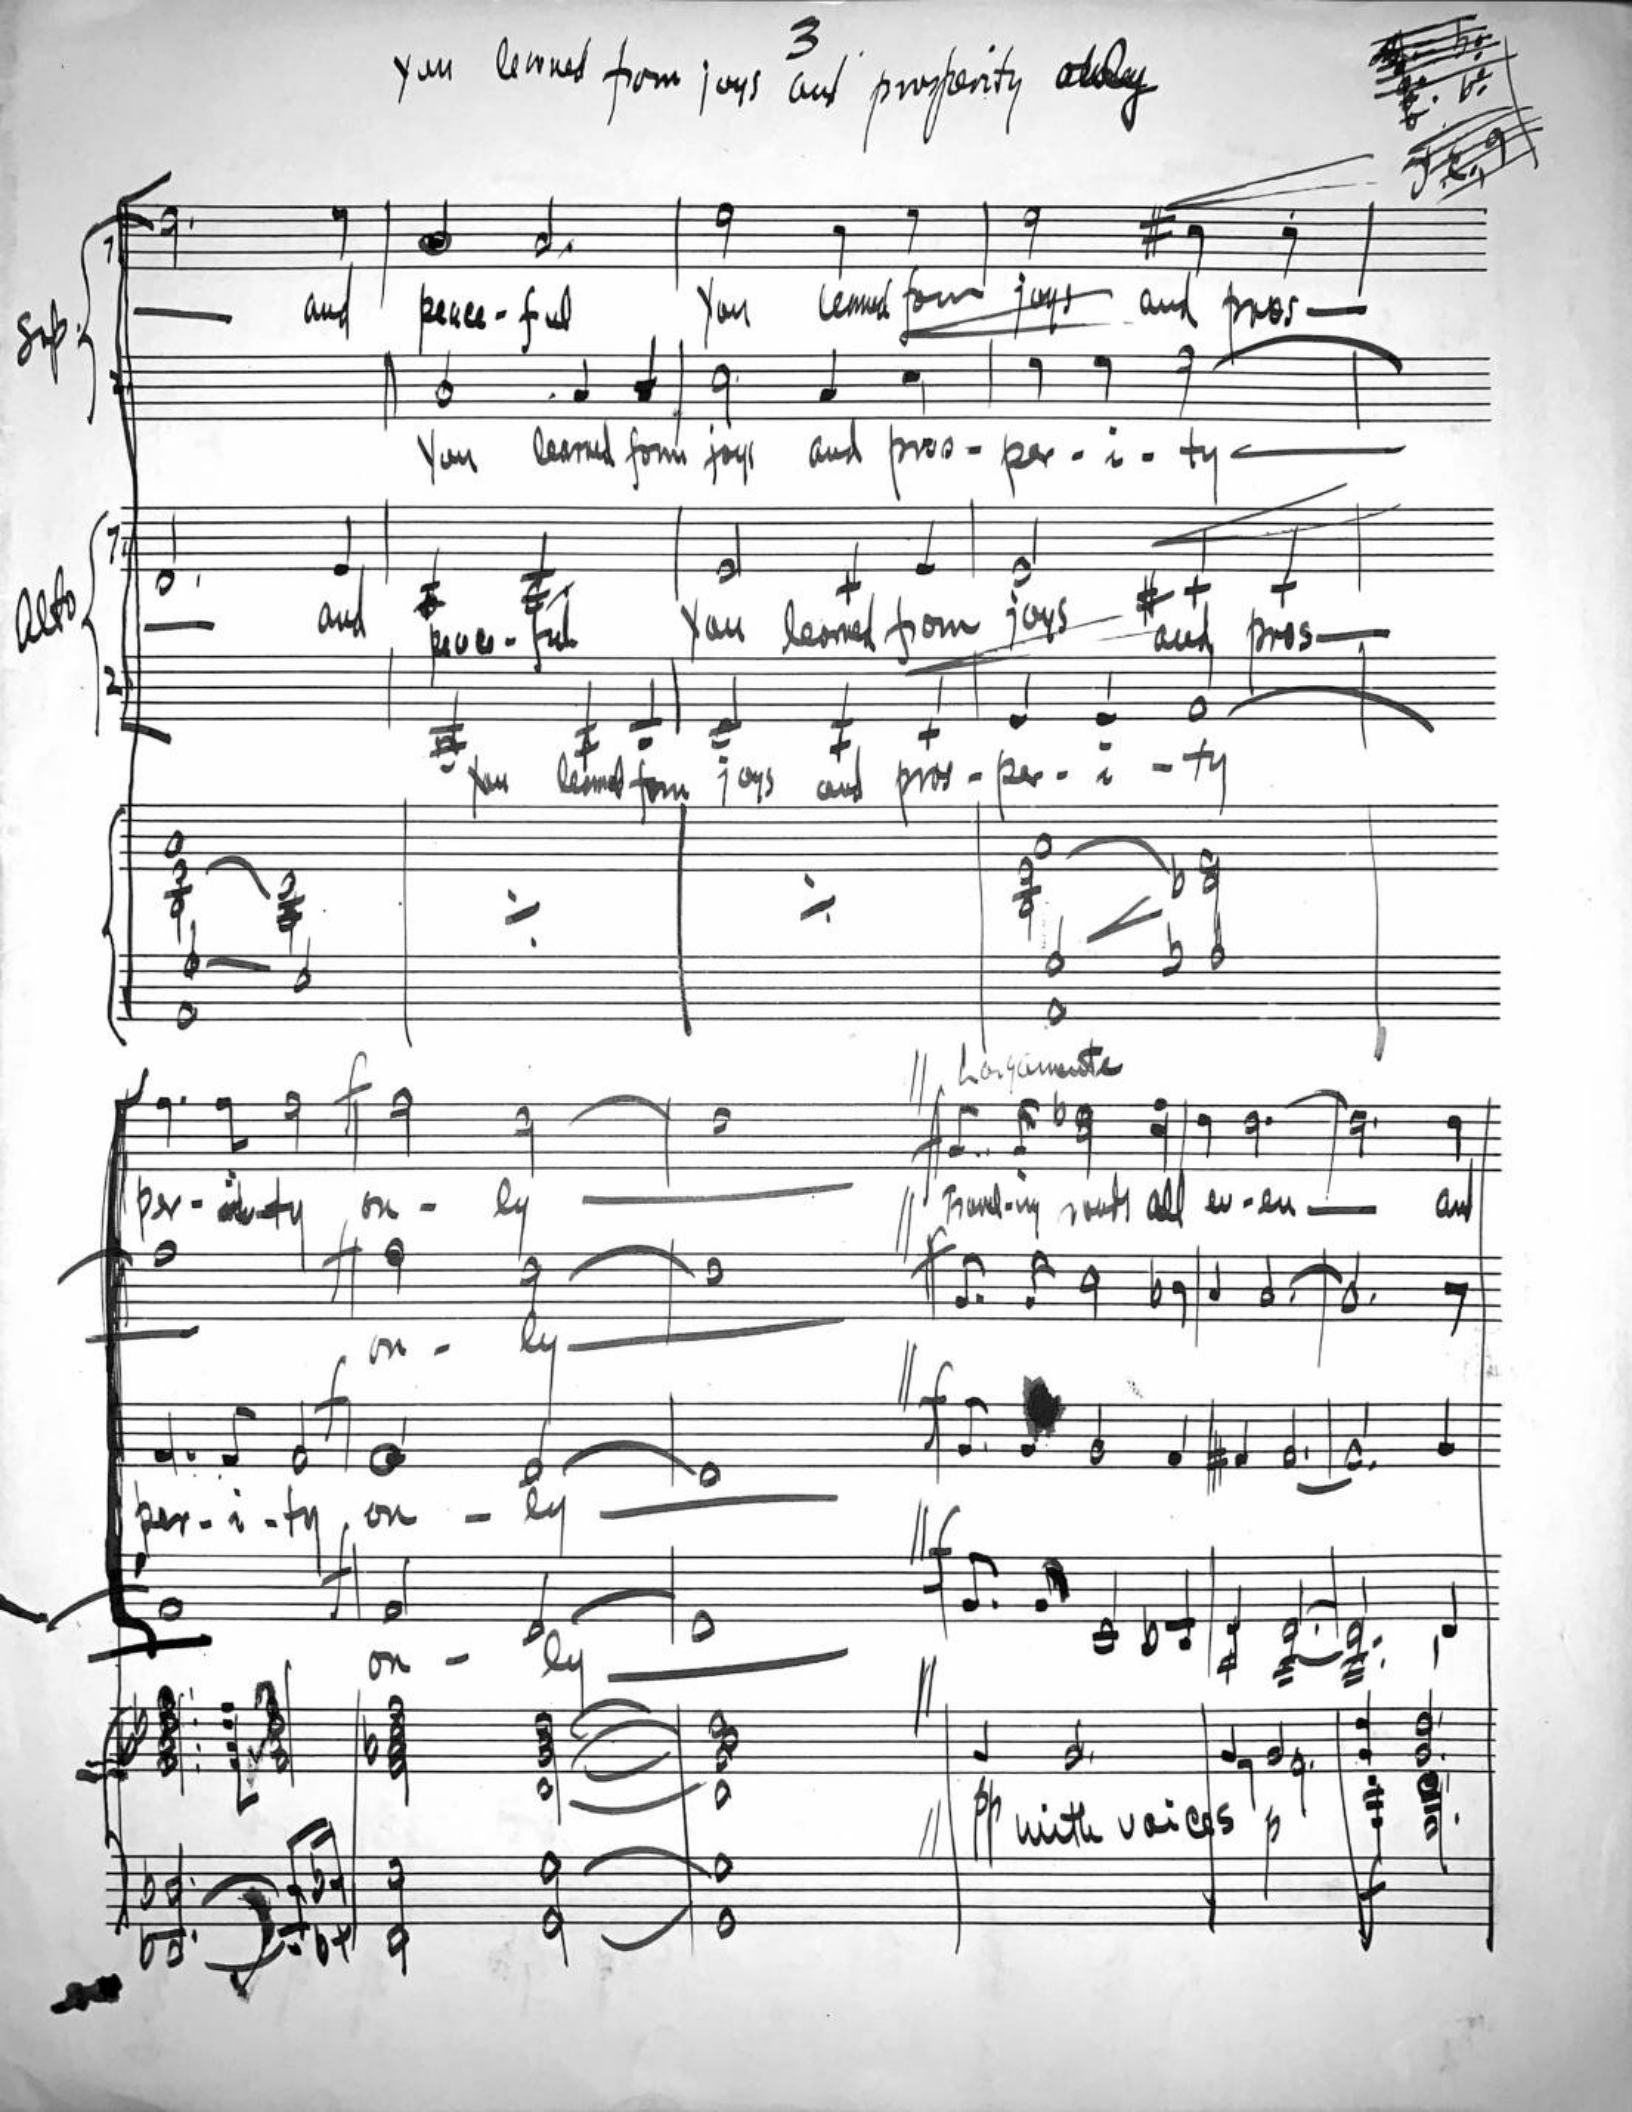

3. And now to conceive and show to the world what
your children en masse really are,
(For who except myself has yet conceiv'd what you
children of Democracy really are?)
